

Special Issue Information of ICS 2018

Dear Colleagues,

Participants of the 19th International Cyclodextrin Symposium (ICS 2018) are cordially invited to contribute original research papers or reviews to the Special Issue of *Journal of Inclusion Phenomena and Macrocyclic Chemistry (JIPH)*. The title of the special issue is “Cyclodextrins: past, present, and future”. The recent progress in cyclodextrin sciences based on the following topics are involved:

1) Supramolecular Chemistry, 2) Host-Guest Chemistry, 3) Pharmaceutical Science, 4) Medical Science, 5) Biomolecular Science, Material Science and Engineering, and 6) Industrial Application.

Manuscripts can be submitted until the deadline (June 15, 2018). The due date of submission has been postponed.

For manuscript submission, please follow the hyperlink “Submit online”, and upload all of your manuscript files following the instructions for authors :
http://www.springer.com/chemistry/organic+chemistry/journal/10847?detailsPage=pltei_1060123

Submitted manuscripts should not have been published previously, nor be under consideration for publication elsewhere (except conference proceedings papers). All manuscripts are refereed through a peer-review process.

Keiko Takahashi (Tokyo Polytechnic University)

Takashi Hayashita (Sophia University)
